

### Statement of Support

This is to formally acknowledge that the **Summer Exposure Combine**, taking place in **Budapest, Hungary**, from **July 16 to July 19, 2025**, is supported by the **National Hockey League (NHL)**.

This international camp focuses on the development of ice hockey officials, offering top-tier training led by experienced instructors assigned by the NHL. The program includes intensive on-ice and off-ice sessions, covering areas such as rule interpretation, positioning, communication, and game management. Notably, officials who excel during the camp may earn invitations to the annual NHL Exposure Combine in Buffalo, New York, further advancing their professional development.

The NHL remains committed to fostering excellence in officiating and is pleased to support initiatives like the Summer Exposure Combine that contribute to the growth and integrity of the game worldwide.
